Employees, officials, volunteers and players are valued according to how well each performs his/her duties and his/her ability and enthusiasm to maintain a standard of performance and service.

1.02 POLICY STATEMENT

The Zone Associations and Members do not tolerate any form of discrimination. All employees, officials, volunteers and players have the right to work and play in an environment free of discrimination and harassment.

2.0 PRINCIPLES OF ANTI-DISCRIMINATION

2.01 Under Federal and State/Territory Anti-Discrimination Laws, discrimination in employment (including use of volunteers) on the following grounds is against the law:

- * sex
- * pregnancy
- * age
- * impairment
- * political belief and activity

- * lawful sexual activity

- * parental status
- * race

2.02 Sexual harassment is also against the law – refer to separate Policy on this.

2.03 Managers, coaches, officials and administrators must ensure that all employees, officials, volunteers and players are treated equitably and are not subject to discrimination; they must also ensure that any person who makes a complaint, or any witness to the action that is the subject of the complaint, is not victimized in any way.

2.04 Any reports of discrimination or harassment will be treated seriously and investigated promptly, confidentially and impartially. A written complaint is not required.

2.05 Disciplinary action shall be taken against any person who discriminates; this disciplinary action may involve a warning, transfer, counselling, demotion or dismissal, depending upon the circumstances.
