(b) AMATEUR PLAYER

An Amateur Player is as defined in the FFA National Registration Regulations 2007.

C02 PROOF OF BIRTH DATE

Proof of date of birth of a Player shall be supplied to the Zone Association by the Member within seven (7) days of the Zone Association requesting such proof of birth date during the Season.

(a) The Zone Association shall accept as proof of date of birth the following:

- Birth Certificate or Extract of Birth Certificate
- Passport or documents of identity

Failing availability of the above, such documents as may be acceptable to the Zone Association.

(b) A Team playing an OVERAGE Player in an Age Grade Competition Fixture without the approval of the Zone Association shall be ineligible for points associated with that Fixture. The Player will be deemed an INELIGIBLE Player (see Rule C03 (e)) and the Player and/or the Member Club shall be referred to the Competition Administrator (Disciplinary) for further determination of any penalties/fines to be imposed. In such cases the full points associated with the Fixture shall be awarded to the opponent Team and the score recorded as three (3) goals by the Team getting the points to nil (0) by the Team which has infringed the Regulation.

A Member may submit a written request seeking approval from the Zone Association to play a Player as an Over Age Player in a Lower Age Grade Fixture, providing full and clear reasoning for the request.

C03 ELIGIBLE PLAYER

An Eligible Player shall be defined from time to time by the Zone Association and his/her Eligibility shall be as per the requirements of the Regulations. Only Eligible Players shall be permitted to play for any Team in the Zone Association Competitions.

- (a) An ELIGIBLE PLAYER is one who has signed a Zone Association Team Registration Form seeking registration by the Zone Association for the Competition referred to on the Registration Form as a Registered Player of the Member Club for whom he/she has registered with FFA; and only when the said Member Club has paid the Registration Levy and duly received from the Zone Association a confirmation of the Registration Fee is the Player eligible to play in Zone Association Competitions.
- (b) In addition to the above Regulations, in order to qualify for Amateur Competitions, eligibility is restricted to a Player who qualifies as a Player under the Regulation governing Player Status.
- (c) In addition to the above Regulations, in order to qualify for Age Grade Competitions, eligibility is restricted to a Player who in that calendar year shall attain the age of the Age Grade in which he/she wishes to play; **except that a Player seeking to play O/35 or O/45 must attain that age before registration.**
- (d) A Member Club may seek special dispensation regarding a Registered Player's eligibility by applying in writing to the Zone Association.
- (e) A Team playing an INELIGIBLE PLAYER in any Fixture shall be ineligible for any points associated with the Fixture. In such cases the full points associated with the Fixture shall be awarded to the opponent Team and the score recorded as a three (3) goals by the Team getting the points to nil (0) by the Team which has infringed the Regulation. The Member Club and the Ineligible Player will be referred to the Competition Administrator (Disciplinary) for further determination of penalties/fines to be imposed.
- (f) If the Zone Association or Competition Administrator (Disciplinary) has any doubts as to the eligibility of any Registered Player taking part in the Zone Association's Competitions it has the power to call upon such Player, the Team or the Member Club with which he/she has registered to prove that such person is an Eligible Player according to the Regulations now in use. Failure to provide satisfactory proof may result in the Competition Administrator (Disciplinary) disqualifying such Player, the Team being removed from the Competition and the imposition of such penalties as the Competition Administrator (Disciplinary) deems fit.
- (g) A Member Club Registered Team shall not allow any Registered Player who is under disqualification from the Zone Association or any other Association or Federation to play in the Competitions. Any Team playing a disqualified Player during his/her period of disqualification shall be dealt with by the Competition Administrator (Disciplinary). Such Player shall be declared an INELIGIBLE PLAYER (see Rule C03 (e)).

C04 ELIGIBLE PLAYER FOR FINALS SERIES

Subject to any disciplinary restriction on a Player, a Registered Player of a Team is an Eligible Player to compete in his/her Team's Finals Series Fixtures.

Such Registered Player of a Team may not be nominated as a Reserve or left out of his/her Team to allow a Player from another Team to take his/her place in any Finals Series Fixture without the prior written permission of the Zone Association. Should a Non-Registered Team Player of the Team be used without obtaining the permission of the Zone Association, such Player will be declared an INELIGIBLE PLAYER (see Rule C03 (e). Should the number of Team Registered Players exceed sixteen (16), then only sixteen (16) of those Players registered in that Team will be able to participate in any Finals Match involving that Team ie eleven (11) Starting Eleven Players plus up to five (5) Interchange Players. A Member Club may seek special dispensation regarding a Player's eligibility by applying in writing to the Zone association.

C05 NUMBER OF PLAYERS REGISTERED

Subject to the following Regulations a Member Club may register sufficient Registered Players to fulfil the requirements of the Team(s) it has nominated in the Zone Association's Competitions.

- (a) There is no maximum limitation on the total number of Players registered by a Club in the Zone Football League Divisions Competitions or in the Age Grade Divisions Competitions.
- (b) All approval for Registrations of Players to participate in the Zone Association's Competitions shall cease at the date set by FFA and the Zone Association from time to time as the cut-off – currently 30 June each year.
- (c) Where a Club registers more than sixteen (16) Players in a Team, a maximum of sixteen (16) Registered Players from that Team will be able to participate in any Match involving that Team ie eleven (11) Starting Eleven Players plus up to five (5) Interchange Players.

C06 MID-SEASON MOVEMENT OF AN AMATEUR PLAYER

- (a) An Amateur cannot be transferred within Australia or loaned.
- (b) If an Amateur player no longer wants to play for his/her club, he or she may allow the Registration to elapse. If an Amateur player wants to change clubs during a season then he/she needs to complete and sign the Notification of Cancellation of Amateur Registration in the prescribed form 08 and send it to his/her Club with a copy to be forwarded to the relevant Zone Association.
- (b) If a Club no longer wants an Amateur player to play for their Club, that Club needs to complete the Notification of Cancellation of Amateur Registration in the prescribed form 08, detailing the reason and send it to the relevant Zone Association with a copy forwarded to the Player.
- (c) The deregistration is effective:
 - (i) immediately when the prescribed form 08 is signed by both the Club and Player, or
 - (ii) seven (7) days from the date the prescribed form 08 is signed by one party and lodged with the Zone Association, unless a grievance has been initiated with the Zone Association in accordance with the Grievance Resolution Regulations.
- (d) If an Amateur Player wants to change Clubs during a season that Amateur Player must lodge with the Zone Association of which the new Club is a Member:
 - (i) a copy of the Notification of Cancellation of Amateur Registration in the prescribed form 08 signed by either the Amateur Player or the previous Club(as the case requires); and

- (ii) an original, supplementary Registration Form in the prescribed form 11, signed by the Club and the Amateur Player (or the Amateur Player's parent or guardian if that Amateur Player is a minor).
- (e) The registration of an Amateur Player with a new Club is effective from the date the prescribed form is signed by both the player and the Club, and continues until the end of the season.

C07 PLAYER RIGHTS AND OBLIGATIONS

A Registered Player, or in the case of a Registered Player under 18 years of age his/her Parent or Guardian, shall, at the time of Registration with the Member Club and from time to time thereafter inform himself/herself and/or be conversant with the Zone Association's Regulations and in particular Regulations relating to Player Rights and Obligations. The Player shall also give an undertaking upon Registration to abide by and comply with the Constitution, By-Laws and Regulations of FFA, Northern NSW Football and the Zone Association made thereunder.

C08 PLAYER BRINGING CODE INTO DISREPUTE

A Registered Player guilty of bringing the Code, his/her Member Club, the Zone Association or its Competitions into disrepute shall be liable to such penalties as the Competition Administrator (Disciplinary) may determine.

A Player shall seek the permission of his/her Member Club before contributing to the press, television and/or radio. It is the responsibility of the Member Club to ensure that any permission granted is not used by a Player in such a manner that could bring the Code, his/her Member Club, the Zone Association or its Competitions into disrepute.

C09 AN UNFINANCIAL PLAYER

In the event that a Fine imposed on a Registered Player by the Zone Association remains unpaid at the conclusion of his/her Competition and such a Fine renders Member Clubs unfinancial with the Zone Association, the Member Club shall advise the Zone Association of that fact and the Player will be deemed an Ineligible Player (see Rule C03 (e)) and thus unable to participate in further Competition until such fine is paid.

A Player seeking to register with a new Club must be cleared by his/her previous Club as having no financial encumbrance. The onus is on the Club to show to the Zone Association that a Player is unfinancial with respect to Registration Fees, whereupon the Zone Association will flag the unfinancial Player on the Zone Association data base for the information of any new Club seeking to register the unfinancial Player.

C10 REGISTRATION OF PLAYER

The Registration of a Player to compete in the Zone Association's Competitions shall be carried out in the following manner:

- (a) Each Registered Player shall be registered for the Zone Association's Competition by his/her Member Club on a season to season basis. A Team playing an Unregistered Player not meeting this condition shall have such Player declared an INELIGIBLE PLAYER (see Rule C03 (e)).
- (b) Each Registered Player and his/her Member Club shall fill in and sign a Zone Association Team Competition Registration Form and the Club shall as soon as possible but certainly by the Zone Association designated Registration Day submit the completed Team Player Registration Form together with the appropriate Player Registration Fee to the Zone Association Office. The Club shall receive confirmation of the Registration from the Zone Association before permitting the Player to play in any Zone Association Competition or Finals Series Fixture.
The above Registration procedures also apply to a Player who has changed his/her Club during the season, or has changed his/her Player Status.
- (c) Subject to the appropriate Regulation, no Player shall be considered Registered for another Member Club without the proper prescribed forms completed, forwarded and received by the Zone Association.
- (d) **The Registration of a Player in a Zone Association Competition Team shall take place not later than COB (Close of Business) time at the Zone Office on THURSDAY to allow the Registered Player to be eligible to play in the next weekend's fixtures. A Director of the Zone Association has no authority to accept a Team Player Registration Form or to allow a Registered Player to play in any Zone Association Competition Fixture if the Player has not been correctly registered as per the relevant Regulations.**
- (e) A Player supplying false information on a Team Player Registration Form shall be automatically suspended from the Competitions for a period as determined by the Competition Administrator (Disciplinary).

C11 PRIORITY OF REGISTRATION

In the event of a Player signing a Team Player Registration Form for more than one Member Club, priority of Registration shall be the deciding factor. The Competition Administrator (Disciplinary) shall investigate the circumstances under which the Registration Forms were signed and, having made his/her determination, shall notify the Club submitting the later Registration of the prior Registration.

A Player found to have wilfully signed a Player Registration Form for more than one (1) Member Club, or any Club found to have knowingly induced a Player to sign a Player Registration Form with that Club in the knowledge that the Player has previously signed a Player Registration Form with another Club, then both the Player and the Club shall be dealt with by the Competition Administrator (Disciplinary) as he/she deems fit and the Player will be treated as an INELIGIBLE PLAYER (see Rule C03 (e)).

C12 LATE REGISTRATION FOR INTERDISTRICT COMPETITIONS (including ZONE FOOTBALL LEAGUE (ZFL) COMPETITIONS)

A Member Club Team involved in a Pre-Season Competition shall have arranged Registration of sufficient Players for its needs prior to the start of that Competition.

A Club Team not involved in a Pre-Season Competition shall have arranged Registration of sufficient players for its needs prior to the start of the Zone Association's Competition. A Player registered after the Zone Team

Registration Day shall be deemed to be a Late Player Registration. No Player Registration will be accepted after the date set by FFA and the Zone Association from time to time as the cut-off – currently 30 June each year. A Player registering as a Late Team Player Registration must complete a Player Team Registration Form and such Form shall be lodged with the Zone Association not later than COB (Close of Business) time at the Zone Office on THURSDAY to allow the Registered Player to be eligible to play in the next weekend's Fixtures. The Registration Form must be accompanied by the appropriate prescribed forms and any Registration Fees where applicable and any Late Registration Surcharge Fee where applicable.

C13 REGISTRATION DEADLINES

Except as provided for otherwise in the Regulations, the Registration of a Team Player in the Zone Association's Competition shall cease at the date set by FFA and the Zone Association from time to time as the cut-off – currently 30 June each Season.

A registered Player cannot Transfer, De-Register or be granted a Transfer by a Member Club after the closing date of Registrations for that Season.

The PRIMARY Registration is to the Club Team with which the Player first registers; the Player must pay the full Registration Fee applicable to this Club Team; the Player's first priority and obligation is to this Primary Club Team.

The SECONDARY Registration is to the Club Team with which the Player registers second; the Player must pay the Zone Multiple Registration Fee (currently \$20-00 Junior; \$40-00 Senior); the Player's second priority and obligation is to this Secondary Club Team.

In the event of a clash of fixtures of the Primary and Secondary Club Teams, the Player MUST play in the Primary Club Team (unless the Player is surplus to this Primary Club Team's requirements at this time).

The Primary Registration MUST be with the **lower** graded Club Team; the Secondary Registration MUST be with the **higher** graded Club Team. For example, a Player MAY Multiple Register Primary All-Age Division G and Secondary ZFL; but a Player MAY NOT Multiple Register Primary ZFL and Secondary All-Age Division G.

The Primary Club Team is unrestricted on the number of Multiple Registered Players it uses in any one match. The Secondary Club Team is restricted to the use of a

MAXIMUM of three (3) Multiple Registered Players in any one match – such Players must be clearly marked as 'MR' or 'M' on the Team Match Sheet. Note that any of the Multiple Registered Players may be used in the Secondary Club Team but only to a maximum of three (3) players per match.

In the unlikely event of a Player wishing to Multiple Register with more than two (2) Club teams, application must be made to the Zone Association for referral to the Joint Board of Directors which will determine the conditions that will apply to this Multiple Registration and the procedures to be followed in order to effect this Multiple Registration.
